

INDIANA LAW ENFORCEMENT TRAINING BOARD

Firearms Instructor Qualification Course of Fire

50 Round Qualification Pistol Course

Stage 1 - 25-yard line – 10 rounds in 2 magazines of 5 rounds. Two handed, Strong handed firing.

The shooter will be positioned behind a standing barricade. The shooter will start with one (01) magazine of 5 rounds loaded and holstered. When the target faces, fire 5 rounds from the strong side of the barricade, conduct a combat reload, then 5 rounds from the support side of the barricade in 40 seconds. All firing will be with the weapon in the strong hand, two handed firing. ***During Stage 5 only, the first round may be shot in: Single or Double Action mode.

Stage 2 - 15-yard line – 10 rounds in 2 magazines of 5 rounds. Two handed, Strong handed firing.

The shooter will start with one (01) magazine of 5 rounds loaded and holstered. When the target faces, fire 5 rounds from the standing position, conduct a combat reload, then 5 rounds from the kneeling position in 25 seconds.

Stage 3 - 7-yard line – 10 rounds in 2 magazines of 5 rounds. Two handed, Strong handed firing.

The shooter will start with one (01) magazine of 5 rounds loaded and holstered. When the target faces, the shooter will take one (01) step to the side, draw and fire 10 rounds in 20 seconds. Shooters must do a combat reload after 5 rounds.

Stage 4 - 5-yard line – 10 rounds in 2 magazines of 5 rounds. One handed only firing.

The shooter will start with one (01) magazine of 5 rounds loaded and holstered. When the target faces, fire 5 rounds strong-handed only, conduct a 2 handed combat reload, then fire 5 rounds support-handed only in 17 seconds.

Stage 5 - 3-yard line – 10 rounds in 2 magazines of 5 rounds. Two handed, Strong handed firing.

The shooter will start with one (01) magazine of 5 rounds loaded and holstered. When the target faces, fire 3 rounds in 5 seconds. The shooter will then scan and go to the low ready. When the target faces a second time, the shooter will fire 2 rounds, conduct a combat magazine exchange, and then fire 2 rounds in a total of 12 seconds. The shooter will scan and go to the low ready. When the target faces a third time, the shooter will fire 3 rounds in 3 seconds.

Possible Score – 100

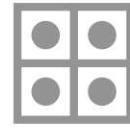

Scoring – 2 points for rounds inside of the G17 Trapezoid, 1 point for rounds outside of the G17 Trapezoid, but within the G17 Silhouette. Rounds outside of the G17 Silhouette will be counted as an attempt failure.

Targets will be scored after Stage 1 and 2 to ensure all rounds are on target. The holes in the target will be covered over at these 2 stages.

Requirements --- Instructor Candidate must fire a minimum score of 95 points to qualify. All 50 rounds fired must be inside of the G17 Silhouette.

Officer must fire the course (03) times and all (03) attempts must be a score of 95 or above.
